Notes

City still working to close Wellington
 would that no be a paid duty thing.
 yes it would. after clean up/
 inspection.

if after city still want to close it
 then it's not a policy issue
 they can put up proper signage
 if we think to want and
 again to Kangerin - how many
 people will that take?

Stream - 80 apr people - 2 CRT's
 there now.
 22 apr / 7 Baulf - will go
 down to 5 + nco + float. / shift.
 (looking down Wellington +
 nothing else).

opening Egin (barrier west of
 Egin on Wellington)
 opening Wellington up to want
 plan of shrunk area to support
 staffing numbers.

looking @ demobilizing processing Cts
 Conway is now up from la crite.
 get through it Lucas and get
 him to get Gaf/SG ready to
 get down Bridges.

But down Bridges.

			Splendron dialog.
			→ multiple reporting - 15/20 events OPP internal stuff to address.
	Antell		La Chute Convoy - approx 230 vehs Approx. pass vehs - w/B on the Hwy 50 - contact w SG / Galt. to see what they plan on doing. Griffin actually in Ottawa part of confed walk - with a female live streaming.
	Crime		13600 Minto park - Community gathering - no push behind that demobilization of secondary processing site?
	Springer	etc	just crossed to 17 → w/B through Rockland. or may be working up w Splendron team.
	Antell		SG - have patrol car in front and one in the back of convoy info Splendron - LaChute group some going to Herby's
	PLT		

 am

time	from	to	Notes
	traffic		25 people lining up outside. some argumentative but we are dealing w it.
	Media		Prepping messaging in case we do rolling closures.
	operations		Still watching Confed park group about 80 - STAM @ Booth on side walk. Spoke to NCRCC to Liaise w SE/Gat to close bridges ready to do that to support operations.
	Unkell		lots of traffic w flags in area but not stopping. REDACTED is on the Hwy 50 on live stream - arrestable if Ontario bound - he was the verbal one @ Bidea/Susser
	E/C operation		if group is in Hathersbury maybe have Operations from OPP to attend and attempt to intercept. looks like group from Lachute is going to Splendron to say goodbye to group going

	E/C		to western Canada. will be driving through Ottawa then.
	E/C	operations	Space OPP to deploy and set up @ off ramps now look @ 144 as well though OPS.
	E/C	Robert traffic	lane reduction on King Rd up to St Patrick E/B.
	E/C	Crime	Hold on to processing site for now
	E/C		releasing heavy tows as we are only hearing personal vels and not heavy trucks - will still have 2 city heavy tows they can stay til tomorrow
	Richardson	E/C	briefing on sit rep.
1325	E/C	Carson	End of Sitrep
1333	Munkola	E/C	2 proposals. #1) NRT points - if RCMP do points we can be in more areas. would be available for DFS in area where can problems
	E/C	Munkola	your focus is security in and around the Footprint.

time	from	to	Notes
	MBunkolo E/C	E/C MBunkolo	Depends on what we get its not what you get its what you ask for. - points are doubled units (ACMP/opp) - rvers. overlap → more on afternoons (3) (NBT schedule) Do we make the ask for a week..?
1338	E/C R/E/C	MBunkolo	look @ teams of NBT - give them assignments to meet objectives of this operation.
1341	Growex	E/C	Slidell?
1341	E/C	Growex	Keep it status quo for now so convey possibly coming west - look @ poss. shutting down your second shift (afternoon) ^{til midnight} and demobilize as of midnight or earlier, or tomorrow @ latest.
1343	Growex	E/C	Coventry lot?
1343	E/C	Growex	will take a look @ that after convey come through
1344	E/C	Roberts	Jersey barriers @ Coventry
1344	Roberts	E/C	that is a snow dump so needs to keep it accessible

time	from	to		Notes
1345	me	E/C	if would keep the one car there.	
1347	E/C	POU	wants to see Elgin/Wellington and Kent/Wellington fencing Drone flew over intersection for good visual/situational awareness of where city was at.	
1357	E/C	Roberts	make sure no stopping signs are erected where Roads being re-opened.	
1410	MBKulo	E/C	ask RCMP to cover Wellington and have zone coverage 24/7	
1411	E/C	MBKulo	this week want availability to walk - respond to stuff so make sure you have enough resources. You need to figure out what is needed? You need to be able to adapt and pivot. (ex: off ramp closure for convoy coming pulled from downtown) You don't want to leave yourself too thin - keep insurance piece also don't keep too many that they don't have work to do	

942

time	from	to	Notes
			if you get word something is coming they will 'contact' → you have to have it in your plan on how to do it - activate ... ^{whatever} plan you have. Go a little heavy this week then reduce after that week. walking and QRT response for extras.
	MBKulo	E/C	NBT'S to be QRT's and have OPP/BCMP to do points + extras
	E/C	MBKulo	My recommendation would be to have briefings in Pat Hayes room all operate out of Central channel.
1419	Cargm	^{Line} E/C	they (Planners) need more direction to scale down - way looks now we are keeping them all.
1420	E/C	MBKulo	Arrange w Dem. Creamer for radios @ Pat Hayes.
1420	operations	E/C	80 people @ STAM coming back to Hill - still on sick week
1421	E/C	MBKulo	you will have to be knowledgeable of lock down plan - understanding Bridge closures as well.

10 am

time	from	to	Notes
	E/C	MBKulo	OPS mindset is to do more w less but in this case switch it and have more then not enough.
	MBKulo	E/C	Have youth NPS's available in unifor during dayshifts hours. another 16
	E/C	MBKulo	keep in mind 24/7 → balance stronger 9am - 9pm relaxed over nights.
			You are taking over from a big machine - you don't want a vacuum - this week dedicate them to this operation next week have them ready to deploy from office.
			area you need to watch is ahead we just opened up no stopping area to action.
			portage → kent on wehington in front of Chateau area (Hackensy / Sussex / Bideau)
			have cruisers drive back and forth an enforce.
